

POLITIC PACKS BACKGROUND

MEDIA@POLITICPACS.COM  politicpacks.com

Founded in 2023, Politick Packs emerged from a passion for American politics and a mission to make learning about it accessible, engaging, and fun. Located in Atlanta, GA, our company specializes in creating educational and collectible trading cards that delve into the political arena, offering a unique blend of historical insight and modern collectability.

Our Vision

At Politick Packs, we envision a world where understanding the foundations and complexities of political systems is not just for academics or enthusiasts but accessible to everyone. Through the innovative medium of trading cards, we aim to foster a deeper appreciation and understanding of American politics, its figures, and its history.

What We Offer

Politick Packs introduces a diverse range of trading cards, including:

- **Senator Cards:** Covering all current U.S. Senators from Democrats, Republicans, and Independents.
- **Legendary Cards:** Rare cards featuring key political figures and pivotal moments in U.S. history.
- **State Cards:** Each card highlights the two serving senators and facts about their state.
- **Patriotic Puzzle Cards:** Engaging trivia cards about the U.S., designed to educate and challenge.
- **Collectible Stickers:** Featuring political icons from past and present.

Each card is crafted with attention to detail, ensuring authenticity and educational value, and is a tool for learning and discussion.

Innovation and Engagement

Politick Packs is at the forefront of digital integration in collectibles, with a dedicated app that enhances the collecting experience. The app allows collectors to track their collections, discover detailed information about each figure, and engage with a community of like-minded individuals.

Community and Education

Beyond collectability, Politic Packs is committed to creating educational resources for schools, libraries, and individuals. By partnering with educational institutions, we aim to introduce a dynamic way of learning about governance, democracy, and history.

Looking Forward

As we continue to grow, Politic Packs is dedicated to expanding our offerings, exploring new ways to engage with our audience, and contributing to a well-informed community. Our journey is one of continuous learning, sharing, and celebrating the political landscape that shapes our world.
